UI Images :

The screenshot shows a mobile application interface. At the top, there is a navigation bar with a logo icon, a search bar containing the placeholder "Search For Products, Brands and Categories", and three icons: a heart, a person, and a shopping cart. Below the navigation bar is a horizontal menu with links: "All Categories", "Home", "New Arrivals", "Trending", "Deals For You", "Discounts", "Weekly Offers", and "Become a Vendor". The main content area features a large "Login" button at the top. Below it are two input fields: one for "Business ID/Username" and one for "Password". A "Login" button is centered between the two fields. At the bottom of the login form, there is a link "don't have an account". The bottom section of the screen contains a footer with a logo, a paragraph of text about the store, and links to various sections like products, legal terms, and contact information. It also includes social media icons for Facebook, Twitter, Instagram, LinkedIn, and YouTube, along with a support email address.

Function Name: Admin panel management.

UI Images :

The image shows a wireframe representation of an admin login interface. At the top left is a logo consisting of three circles. To its right is the text "Admin Login". Below this is another logo featuring a square with an 'X' inside. To its right is the word "OCADO". The main title "Admin login" is centered below these logos. In the center of the page is a large square input field with a diagonal cross inside it. Below this field are two smaller rectangular input fields, one labeled "Username" and the other labeled "Password". Below these is a single-line rectangular button labeled "Login". At the bottom left is a small rectangular button labeled "Reset Password". At the bottom right is another small rectangular button labeled "Create new Account".

Site Title

The wireframe illustrates a user interface for an OCADO-like platform. At the top, there's a header bar with a search bar containing 'Search Products', a heart icon, and a user profile icon. Below the header is a navigation bar with links for 'OCADO', 'All categories', 'Home', 'New Arrivals', 'Trending', 'Week offers', and a 'Categories' dropdown. The main content area contains two main sections: 'Order Details' and 'Feedback'. The 'Order Details' section shows an order number 'CN658745', a seller name 'Palliyaguru Trades', and an ordered date '25/08/2021'. It includes a placeholder image of a product and a feedback rating of five stars. The 'Feedback' section allows users to update or delete their review. At the bottom, there's a footer section with social media icons for Facebook, Twitter, Instagram, and Google, along with a large placeholder image.

Site Title

The wireframe depicts a desktop browser window with a dark header bar. In the top left corner of the header is a placeholder icon (a square with an 'X'). To its right is a search bar containing the placeholder text "Search Products". Further right are icons for a heart and a user profile. The main navigation bar below the header includes links for "OCADO", "All categories", "Home", "New Arrivals", "Trending", "Week offers", and a "Categories" button. A large rectangular modal window is centered over the page. The modal has a title "Rate your experience" and a row of five star icons. Below this is a text input field labeled "Please tell us more". To the right of the text input is a large rectangular placeholder icon with a diagonal cross. Below the text input is another text input field labeled "E-Mail" and a "Submit" button. At the bottom of the modal is a footer section featuring social media icons for Facebook, Twitter, Instagram, and Google+, along with a long, illegible URL.

The screenshot shows a user interface for adding a product item. At the top, there is a logo placeholder, a search bar, and icons for heart, cart, and profile. Below the header is a navigation bar with links: All Categories, Home, New Arrivals, Trending, Deals For You, Discount, Weekly Offers, and Become a vendor.

The main content area is titled "Add Product Items". It features a large placeholder for a product image. To the right, there are input fields for "Item Unit Price" (Rs.100.00) and "Quantity" (100g). Below these fields, product details are listed: Product Name (Orange), Product Code (O1023), and Reviews (5 stars).

At the bottom of the page, there is a footer section with a logo, a welcome message about the store's service, social media links (Facebook, Twitter, Instagram), and a "Next" button. The footer also contains links for Products, Legal, Contact Us, Trends, Licences, My Account, Refund Policy, Vendors, About Us, Brands, Contacts, and a contact phone number (+94112685569) and email address (support@ocado.com).

UI Images :

The wireframe depicts a web-based application interface. At the top left is a logo placeholder labeled "LOGO". To its right is a "Site Title" field. Below the header is the brand name "OCADO" in large, bold, uppercase letters. Underneath the brand name is a section titled "Refund history" with a magnifying glass icon indicating a search function. The main content area features a table with four columns: "Refund ID", "Account number", "Refund amount", and "E-mail". To the right of the "E-mail" column, there is a vertical column containing three "DELETE" buttons, one corresponding to each row of the table.
